

## ГОВОРЕНИЕ ЗАДАНИЕ 4

### SPORTS

Imagine that you are doing a project **"Sports"** together with your friend. You have found some illustrations and want to share the news. Leave a voice message to your friend. In 2.5 minutes be ready to tell the friend about the photos:

- (1) explain the choice of the illustrations for the project by **briefly describing** them and **noting the differences**;
- (2) mention **the advantages (1–2)** of the **two situations in the pictures**;
- (3) mention **the disadvantages (1–2)** of the **situations in the pictures**;
- (4) express **your opinion** on the subject of the project – **do you prefer to play sports or to watch sports?**

**You will speak for not more than 3 minutes (2-3 sentences for every item of the plan, 12-15 sentences in total). You have to talk continuously.**

## Introduction ОБЯЗАТЕЛЬНО!!!

Hi, Mary! I've found two pictures for our project 'Sports'. I'd like to discuss with you how these pictures might be useful for it.

### Пункт плана 1

Description **ТО, ЧТО ВИДИМ НА ФОТО!!!** Описываем фото в общих чертах: **WHO? WHERE? (IS / ARE) DOING WHAT? (IS/ARE) WEARING (CLOTHES) ... (IS/ARE) smiling / crying / angry (EMOTIONS)**

Well, let me describe the pictures for you. **The first picture shows a group of young people in sports clothes on the playground playING basketball.**

**The second picture shows a crowd of fans wearing club jerseys and scarves. They are elated as they ARE supportING their team. Justifying the**

**choice of photos for the project НЕ ЗАБЫВАЕМ ПРИВЯЗЫВАТЬ ОБЩЕ НА ФОТО К ТЕМЕ ПРОЕКТА!!! Both photos are different examples of**

**people's involvement in sports, that is why they will be helpful for our project. (а теперь переходим к DIFFERENCES) While in the first picture**

**the young people ARE doING a sport, in the second picture the people / crowd ARE watchING a match.**

Примечание [ЮП1]: !!! Не употребляем "We can SEE", потому что друг НЕ видит фото!  
Не употребляем "In the LEFT / RIGHT picture" - потому что друг НЕ видит фото!

### Пункт плана 2

**the advantages (1-2) of the two situations in the pictures**

I believe both these ways of **people's involvement in sports** have their advantages. **Playing sports** helps people to stay healthy, while **watching sports** has a positive emotional effect.

### Пункт плана 3

the disadvantages (1–2) of the two situations in the pictures

However, there are some disadvantages.

**Playing sports** can be tiresome, while **watching sports** can become addictive and distract from important tasks.

### Пункт плана 4

Personal Opinion ОБЯЗАТЕЛЬНО!!!

Personally, I prefer **doing sports** to **watching sports**. I think **doing sports** is fun and helps teenagers to keep fit.

CONCLUSION ОБЯЗАТЕЛЬНО!!!

That's all for now! Please call back and share your ideas about our project.
